Wedding Package

Freestanding Marquee 6m or 9m Structure

This package is centred round a white vinyl silk lined freestanding marquee. Inside there is ample room for your guests to be seated, with space for a buffet/bar table and painted timber dance floor.

Freestanding Marquee

We install the marquee sized to suit the number of guests attending. Inside is lit with three or five branch chandelier lights or rice paper lights, on a dimmer switch, to suit your choice. As a finishing touch on your special day we include a silken lining for the ceiling and walls of the marquee. The timber dance floor is also sized to suit the number of guests attending.

Seating

We supply you with a bridal table fully clothed and skirted, with banquet or round tables for your guests, who will be seated on white lawn chairs. All tables are clothed in white with white linen napkins.

Table Settings

Your meal will be served on our Australian Fine China consisting of dinner, entrée, side and dessert plates, teacup and saucer for each guest. Each table is set with our premium Melrose range of cutlery to suit your choice of menu and the latest Aristocrat glassware – a champagne flute, red and white wine glasses and an all purpose (water, soft drink) glass. Two sets of salt and pepper shakers, one milk jug and one sugar bowl are also provided for each table.

Your wedding cake will be displayed on a small round table with a cloth draped to the floor.

Price

The package price which includes all the above is \$49.50 per person. (This price is based on a minimum number of eighty guests and is inclusive of GST but does not include cartage). Cartage prices vary depending on the area that delivery and collection are required.

Should you wish to add a soft touch to the room, we can supply white chair covers and bows fitted for an extra \$5.25 per person.
